

Redefining the Security Camera System

Virtual Copy

# We are looking for a UX/UI Design Intern

## Description:

Simvia Technologies is seeking talented individuals to join our team and help build the front-end, 3D visualization component of our cutting-edge AI-enabled security camera system. As a member of our team, you will have the opportunity to work in a fast-paced environment, develop cutting-edge technology, and make a meaningful impact on the security landscape.

## Qualifications:

### Expected:

- Proficiency in Linux / Unix
- Proficiency in JavaScript
- Front-end design experience

### Preferred:

- Experience using the three.js library
- VR/AR knowledge and development experience
- Graphic Design using AI or Inkscape

## Info:

### Position Type:

- Full-time position

### Position Length:

- One month with possibility of extension

### Location:

- Hybrid
- Dade / Broward / Palm Beach
